

6" Flutter Flicker

US PATENT # 5,403,225 – US PATENT #5,709,584

INSTRUCTIONS FOR USE

Step 1 – IMPORTANT – Remove the CAP from the end of the tube.

Step 2 - Hold the tube firmly in one hand and extend the arm upward to the 12 o'clock position.

Step 3 - Bring the arm back to the 3 o'clock position. Return the arm to the 12 o'clock position quickly flicking the wrist at the same time. The Flutter Fetti® will flutter, fly and float spectacularly in the air.

WARNING – Do not point, flick or fling towards anyone when using.
