

FIRECRACKLERS

US PATENT #5,403,225 - US PATENT #5,709,584

INSTRUCTIONS FOR USE

Step 1 - Hold the FireCrackler Stick firmly in one hand and extend your arm upward above your head to the 12 o'clock position.

Step 2 - Bring your forearm back to the 3 o'clock position. Return your arm to the 12 o'clock position quickly flicking the wrist at the same time until all the confetti and "cracklers" are out of one end of the tube. If nothing happens, snap harder.

Step 3 - Turn the tube over, hold the empty end and repeat steps 1 and 2 until the tube of confetti and "cracklers" is empty.

WARNING- Do not point, flick or fling towards anyone when using.
